## Eat A Rainbow...

... On Wednesday, February 5th, at 10:30 we will have a real treat! The children will attend *Eat A Rainbow*, this month's Imagination Theatre puppet show. Rainbows are magnificent, especially when they're on your plate! Dance, music and nutrients abound in this colorful tale. Arielle doesn't think that eating fruits and vegetables is at all important...until she dances the Watermelon Waltz, Spinach Salsa, and Rutabaga Rumba with a variety of surprising partners! She soon learns that eating healthy, whole foods can be fun when you eat a rainbow! Parents and Families are always welcome to join in on the fun!

## So Many Great Reasons to Celebrate!

During Black History Month, the children at Anew Dimension will be devoting some time to learn about African Americans who have contributed to our American History and culture. In music class we will highlight musicians such as Bessie Smith, Cab Calloway, Louis Armstrong, Aretha Franklin and Jimi Hendrix. We will also continue to emphasize the important work of Dr. Martin Luther King.

Join us for the  
Family Breakfast  
Thursday 2/13 from  
7:15 to 9:00!
